

Recruitment Specialists

Asset and Wealth Management Technology

Cornwallis Elt has an unrivalled recruitment model within the Asset and Wealth Management technology sector. We have an outstanding track record of delivery driven by our superb candidate network and database in this area and our detailed understanding of our clients' businesses, their systems and the challenges they face.

Our clients include Institutional and Retail Fund Managers, Hedge Funds, Wealth Managers, Private Banks and Software Houses producing buy-side systems.

Our primary focus is on recruiting "Business Facing Technologists" with a deep understanding of the Investment Management business and the specific applications within this area. We recruit on a permanent, contract and retained search basis.
