

## Cornwallis finishes 3<sup>rd</sup> in BMW City Sailing Championship

Thursday 14<sup>th</sup> September 2006

Team Allen & Overy clinched the title after a nail-biting final held in the Royal Victoria Dock last week finishing just two points ahead of NIR Capital and five points ahead of Cornwallis Elt who finished in third place.

The series which began in April and took place at Royal Victoria Dock attracted a total of 22 teams from 17 City firms - totaling 150 crewmembers. The event was organised by the Royal Thames Yacht Club and managed by Berkeley Marine who made sure the fleet of eight Beneteau First Class 8s were kept in tip top conditions throughout the series.

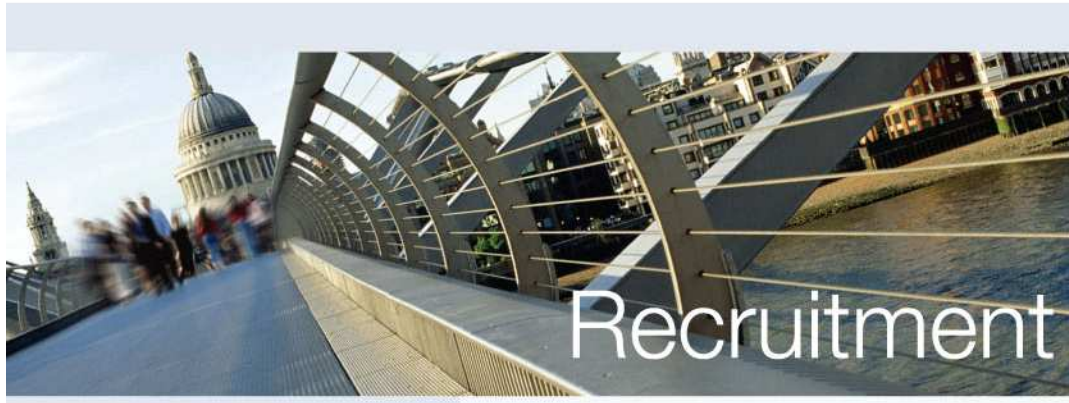

Commenting on the event Andy Johns said "It's great fun to be sailing in the heart of London, with Docklands as a backdrop and planes taking off right overhead. It was a fantastic result as some of the sailors here have a serious racing pedigree. We enjoyed holding off the big players of Citibank and KPMG, but were thoroughly outclassed by Allen and Overy.
