Cornwallis Elt sponsor Baldock Town Youth Football Club

Wednesday 1st December 2010

Cornwallis Elt are proud to announce that they have agreed to sponsor the kit for Baldock Town Youth Football Club as worn by the Baldock Crusaders U16 team below.

Operations Director Tim Skelding, who lives in Baldock commented "It is a great pleasure to be able to give something back to the local community; as a company we are keen to support both charities and local causes wherever possible. Some of the youth teams were wearing shirts that were 3 years old and others such as the team below had no kit at all, so we are delighted to be able to help and to be associated with the club."
