Cornwallis Elt enter the 'GRIM 8' Challenge

On a bright Saturday winter's morning with temperatures just above freezing, what normal person would take on the Grim 8 challenge? Well four from Cornwallis Elt for starters!

Cornwallis 'A' consisting of Russell McIntyre – Director, Charlie Bingham – Senior Consultant and Frankie Jus-Burke – Resourcer made up the mixed team and Chris Halliday - Senior Consultant was part of a separate mens team.

So what is Grim 8?? An 8 mile off road race in Aldershot on Army land used to test their off-road vehicles. The course includes wading through mud, waist deep puddles and of course rolling hills!

Cornwallis 'A' came a respectable 5th out of 53 teams in the mixed event with Chris' team a very respectable 3rd in the men's event!

Well done to all who took part!
