Management Changes

Thursday 9th July 2009

Cornwallis Elt is delighted to announce a new management structure as part of the next phase of our growth plans.

Andy Johns takes on the role of Managing Director of the business, Russell McIntyre moves into the role of Sales and Finance Director and Tim Skelding assumes the position of Operations Director.

The Board are wholly committed to continue working with each other and feel that the new responsibilities will allow us to build upon our success to date, play to our individual strengths and set the best platform to continue the growth of the business going forwards. The current Board have worked together successfully for the past 6 years and we all look forward to new challenges ahead and meeting these as a team.
