Team Building Trip to Portugal

Monday 14th May 2007

The Cornwallis Elt team spent last weekend in Lagos in the Algarve on a company team building weekend. As well as planning ahead for the next year, activities included sailing and watching dolphins from high powered speedboats and of course celebrating the end of very successful financial year in 2006/2007.

The Directors would like to thank everyone at Cornwallis Elt for their contribution during the last year and hope that such team building events will strengthen the team spirit and allow the company to continue its impressive growth rate during the coming year.
