Thursday 11<sup>th</sup> November 2010

Cornwallis Elt have achieved recognition within the Recruitment International Top 250 Report. Described as “The definitive guide to the UK Recruitment Industry”, the report is now in its 13<sup>th</sup> year and is a comprehensive guide to UK recruitment businesses with a turnover in excess of £10 Million.

Cornwallis Elt have made the list for the first time in 2010 and also made the list of the Top 50 UK Recruitment Companies within I.T.

Sales & Finance Director Russell McIntyre commented; “This is an outstanding achievement for everyone within our business who has worked so hard during the last few years, especially within an economic environment that has hardly been conducive to achieving this kind of growth. We are really pleased to get the recognition and one glance at the list tells you the kind of proven company we are now keeping as an established player in the UK I.T recruitment marketplace. We hope we can build on this platform and feature even higher up the list next year.”

The awards dinner, a black tie, blue riband event, was held in the East Wintergarden in Canary Wharf and was attended by Russell McIntyre and fellow Director Tim Skelding.
