Cornwallis Elt Summer Event 2005

Friday September 23rd 2005

Following last year's highly successful trip to Royal Ascot, this summer's company event for staff took on a more active theme. On Friday 2nd September, the company hired an X44 Yacht and sailed from The Hamble across to Cowes on the Isle of Wight for lunch at the Royal Corinthians Yacht Club before sailing back to The Hamble in the afternoon.

We managed to catch the end of summer with some beautiful sunshine, but unfortunately had very little wind, limiting us to a maximum sailing speed of around 5 knots!

Pictures to follow soon.
