Toby Smith runs London Marathon for British Lung Foundation

Monday 23rd April 2007

Toby Smith of Cornwallis Elt yesterday completed the Flora London Marathon, raising nearly £2000 for the British Lung Foundation in the process.

Toby completed the hottest ever London Marathon (his first) in a respectable time of 4 hours 39 minutes and is already looking forward to bettering his time in 2008!

Congratulations to Toby from the whole team at Cornwallis Elt!
